

Dear Diver,

Many thanks for signing up to your PADI Peak Performance Buoyancy Diver course with us.

The course takes place at Mercers Lake which is run by our partners at [Aqua Sports](#). If you are not sure of the dates you have booked then you can find them at the top of your booking confirmation that you will have received by e-mail on the day you booked the course. Directions to the dive site can be found at the end of this document.

You will receive a link from PADI in the next 48 hours with the online learning. Please complete this and bring the summary score sheet with you on the day.

Could you also complete the [PADI LIABILITY FORM](#) and [MEDICAL FORM](#), and bring them with you with your open water certification card (if you already have one). **PLEASE NOTE** that if you answer 'yes' to any of the questions on the medical statement then we would need a **COPY** of a note from your doctor saying that you are okay to dive (please keep the original).

We will meet you at the dive site at 9.30am and aim to be finished around 2.30pm. If you need to change your dates please give us at least one weeks' notice by dropping us an e-mail us at info@oysterdiving.com (subject to availability).

Please bring along £15 entry fee per day, your log book, some warm clothes for afterwards, and some cash money for air (£5 per fill), food and beverages. If it is a sunny day, please remember to bring a hat and sun cream for when we are out of the water!

You will need to download the PADI App on your phone as your e-card will be sent by PADI and stored on your phone and other IOS and Andriod devices. The e-card can be shown to any PADI dive centre as proof of your certification. As a back-up PADI keep details of your certification on their global database which can be accessed by any PADI dive centres around the world.

If you haven't done so already then we do recommend purchasing your own mask, snorkel, boots and fins. These are available through our [dive shop](#) and can be bought along to your first session.

Bus: Take to 430 from Redhill bus station Platform 4 to Mill Lane in Merstham (opposite Watercolours Housing) then it's a 12 minute walk around the lake.

Large vehicles should approach from the A25, coming down Nutfield Marsh Road to avoid the width restriction.

FAQ's

Can I bring the family?

Please do! Even if you aren't going on the water, Mercer's Park is a wonderful escape, with a close-to-nature feeling. It's a great place to relax while other family members are on the water.

Is there a walk around the lake?

Yes there is. You can walk right round the lake, through woodland with a wild-at-heart feel. It takes about 20 minutes and the lakeside is a popular dog walk. The area is teeming with wildlife and we're often visited by keen bird watchers, especially in migration seasons. If you visit early morning in the Summer, you will be lucky enough to catch sight of our local kingfishers. Or you may see one of our very long-standing turtle residents basking on a old tree branch. Although not native to the lake, we think they may have been unwanted pets. Check in with us for tips on the best and safest vantage points. And why not drop by for a Barista coffee at our Lakeview cafe when you're done.

What does the café sell?

The Cafe is inside the centre with the same opening times. There is a sunny terrace and dry lounge, offering the finest Barista-style coffee, teas of many descriptions, snacks and cold drinks, hot chocolate for the less sunny days, plus toasties in season.

What is the weather going to be like?

We dive all year round and underwater it doesn't really matter what the weather is doing. [Here](#) is a link to the usual forecast that we use but we can dive in all conditions. But the lake often has its own

little microclimate and different local effects may affect the actual conditions so feel free to give us a call for a free weather check and our team of experienced instructors can help provide you with a current assessment of the conditions.
