

**Dear Diver,**

**Many thanks for signing up to your PADI Specialty Wreck Diver course with us.**

You should receive your PADI eLearning code through to your email in the next 72 hours. For the start of the open water dives can you please complete the eLearning, and bring a print out of your eLearning record?

Could you also complete the [Medical Statement](#), [Liability Forms](#), and bring them with you with your open water certification card, note that if you answer 'yes' to any of the questions on the medical statement then we would need a COPY of a note from your doctor saying that you are okay to dive (please keep the original).

The dives will be conducted at the National Diving and Activity Centre in Chepstow (see directions below) where your Instructor will meet you at 9am. Depending on the number of people on the course we aim to be finished by 3pm. Please bring along some money for your entry fee (£22 Chepstow), your log book, swimwear, some warm clothing and money for any extra air you use (£5/tank) and food & beverages.

We will e-mail you a few days before your course with the name and a contact number of your instructor.

If you are interested in hearing about any trips we are running, special offers or would like to keep in touch then please like our [Facebook page](#).

We look forward to seeing you soon and
